Jólin 1969.

Gleðileg jól  
og farsælt komandi ár!

Göðlang, Grettar

Kveikt er ljós við ljós,  
burt er sortans svið.

Angar rós við rós,  
opnast himins blið.

Niður stjörnum stráð,  
engill fram bjá fer.

Drottins nægð og náð  
boðin alþjóð er.

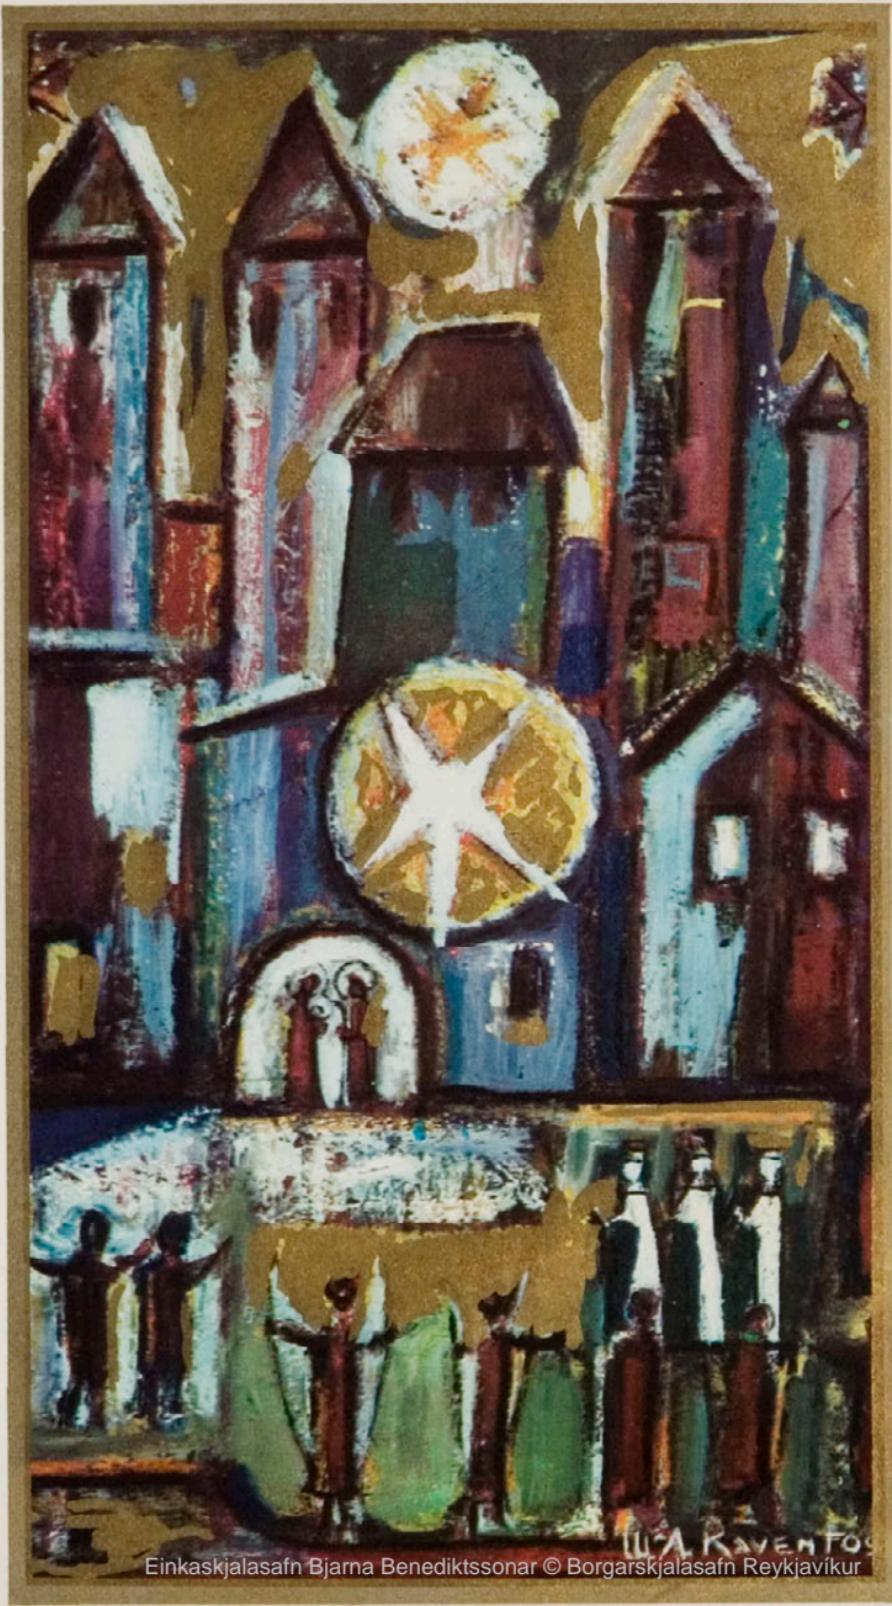

Stefán frá Hvítadal

Ásgrímur Jónsson: Af Fljótsdalshéraði. Hjaltastaðabláin. Beinageitarfjall í baksýn. Vatnslitamýnd (1951). Eig. Ásgrímssafn.

Ásgrímur Jónsson: Scene from Fljótsdalshérað in East-Iceland. This region with its green marshes between naked rock ridges framed by magnificent basalt mountains, was one of the artist's favourite motifs. — Ásgrímur Jónsson (1876—1958) was a pioneer of modern painting in Iceland. His main themes are the nature of Iceland and Icelandic folklore. The artist bequeathed a large number of paintings with his house and home to the people of Iceland. The Ásgrímur Jónsson Gallery was opened in this house on November 5 1960.

Ásgrímur Jónsson: Fra Fljótsdalshérað i det østlige Island. Akvarel (1951) I denne egn med dens talrige grønne moser mellem nøgne klipperygge og omkranset af knejsende basaltbjerge, fandt kunstneren nogle af sine yndlingsmotiver. Ásgrímur Jónsson (1876—1958) var en pioner inden for moderne islandsk malerkunst. Hans motiver er fortørnvis hentet fra Islands natur; men også folkesagnene har været ham en stor inspiration. Kunstneren testamenterede det islandske folk en mængde kunstværker foruden sit hus og hjem. Ásgrímur Jónssons Samling i kunstnerens atelier og hjem blev åbnet den 5. nov. 1960.

Sú þjóð, sem í myrkri gengur, sér mikið ljós;  
yfir þá, sem búa í landi náttmyrkranna, skín ljós.  
Þú eykur stórum fögnumiðinn, þú gjörir gleðina  
mikla; menn gleðja sig fyrir þínu augliti, eins og  
þegar menn gleðjast á kornskurðartímanum, eins  
og menn leika af fögnumiði þegar herfangi er skift.  
Því að hið þunga ok hennar, stafinn, sem reið að  
herðum hennar, brodd rekstrarmannsins, hefir þú  
í sundur brotið, eins og á degi Midáns. Því að öll  
harkmikil hermannastígvél og allar blóðstoknar  
skikkjur skulu brendar og verða eldsmatur.  
Því að barn er oss fætt, sonur er oss gefinn; á hans  
herðum skal höfðingjadómurinn hvíla; nafn hans  
skal kallað: undraráðgjafi, guðhetja, eilífðarfaðir,  
friðarhöfðingi. Mikill skal höfðingjadómurinn  
verða og friðurinn engan enda taka á hásæti Davíðs  
og í konungsríki hans, til þess að reisa það og efla  
með réttvísi og réttlæti héðan í frá og að eilífu.  
Vandlæting Drottins hersveitanna mun þessu til  
vegar koma.

Jesaja 9, 2-7

Svo vítt um lönd sem ljómar sól  
og lýsir yfir mannaból,  
vér syngjum lofgjörð syni þeim,  
er sael María bar í heim.

Sem vakni blóm af vorsins yl,  
eins varð af helgum anda til  
með henni líf, sem helga má  
allt hold, sem fæðist jörðu á.

Því hann, sem ræður himni og storð,  
Guðs heilög mynd og kærleiksorð,  
varð barnið hennar, bróðir manns,  
og bandamaður syndarans.

Og hann, sem á hvert foldarfræ  
og fæðir allt um lönd og sæ,  
sem barn á móðurbrjósti er  
og brosir, grætur, eins og vér.

Þau birta englar boðin há  
og barnið hirðar fá að sjá,  
í jötu þann, er hnattaher  
sem hirðir leiðir út með sér.

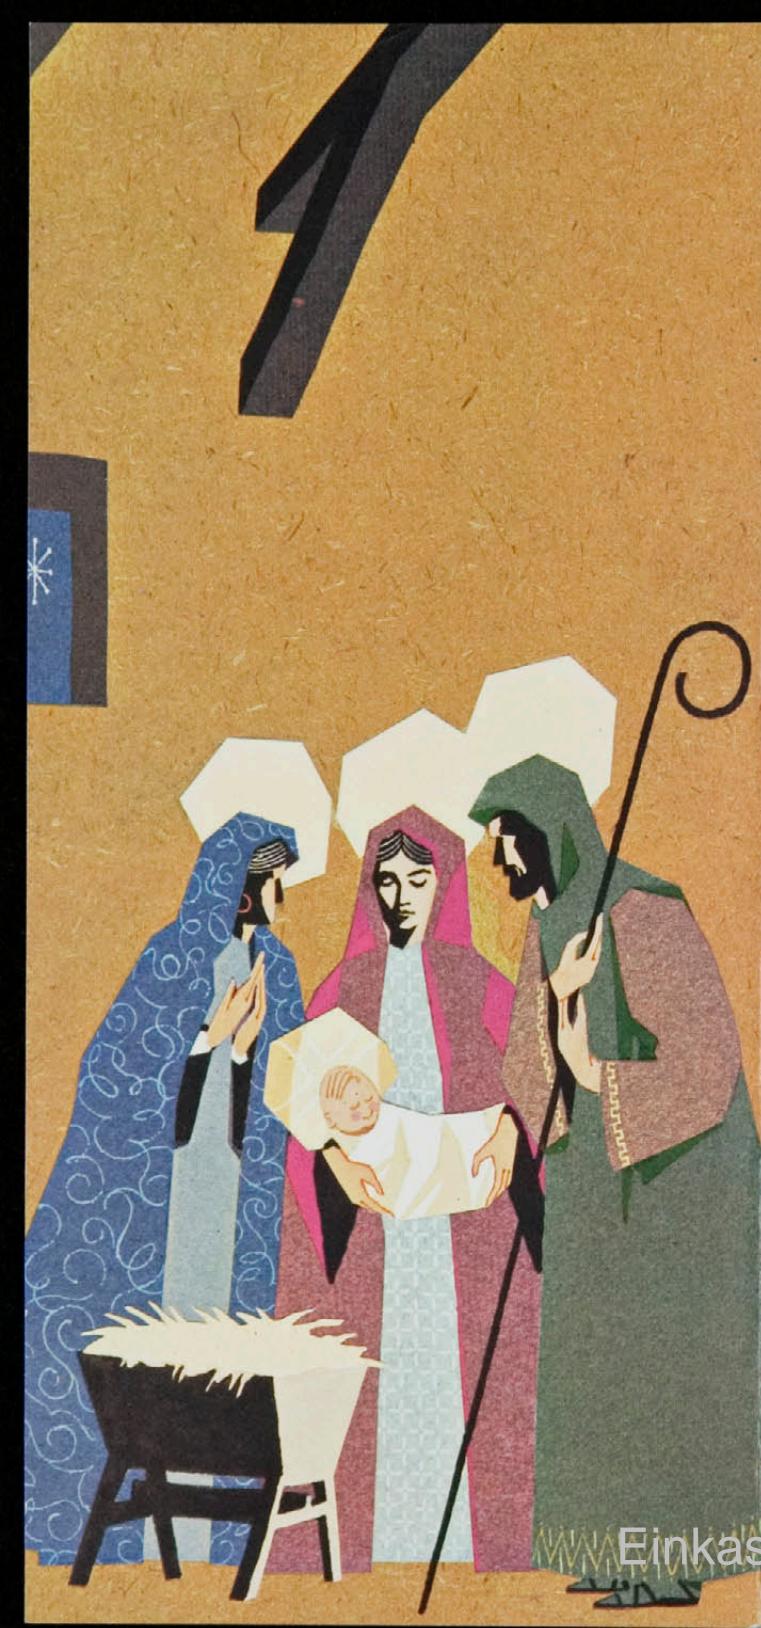

Hann lofar öll hans leysta hjörð,  
hann lofa stjörnur, sól og jörð.  
Guðs heilög þrenning himnum á,  
þig heiðri allt, sem skynja má.

(Sedulius, 5. öld).

Óskum gleðilegra  
jóla, og biðjum  
blessunar á  
komandi tíð

MAGNEA, SIGURBJÖRN EINARSSON

MERRY

Grace and Louis Dreyfus

Merry, Merry Christmas  
With Happy Holidays

Dear Friends - We hope all goes well with you. For our age we surely get around. Santa Barbara has a social Merry-go-Round. Once it was only a winter resort. Now it is a four season playground. I do hope one of these days you will come back and use our guest room. We stayed home in '69. We hope to take a cruise early in 1970.

Our affectionate greetings  
Grace & Louis
