Honorable Mayor of Reykjavik,

I am a sixteen year old girl attending Alexander Hamilton High School, at Los Angeles.

Your country, and especially city fascinate me, and I am very anxious to start a correspondence with some girl of my age. If it is not too much bother, I would appreciate it very much if you would hand this letter to someone.

It would be interesting to know something further of your people, climatic conditions, if you have been affected by the present conflict, and government.

Thanking you in advance for any services rendered.

Sincerely,
Nancy M. Elnes.
