My Dear *Mayor*

I have today received an invitation to fish on the River Ellidaar on every second Wednesday throughout the season, and I hasten to send you my very warm thanks for your kind efforts on my behalf. It is very good of you to remember my request, and I look forward greatly to some very pleasant days' fishing.

Again, many thanks.

ADMIRAL COMMANDING,  
ICELAND (C),  
c/o G.P.O., LONDON.

25th. May, 1945.

My dear Mayor

It was extremely kind of you to send me the tickets giving permission to fish on Ellidavatn, and my Officers and myself warmly appreciate your kindness. We look forward to a good season there.

I am very sorry not to have seen you for so long, but I have unfortunately been laid low with a mild attack of pneumonia. However, I hope to be quite fit again shortly and look forward to meeting you. Kind regards to yourself and your wife and I hope the baby is flourishing.

Yrs sincerely

B. C. Watson
