Reykjavík 9. marz 1928.

Áburður, tilbúinn. Með okkur, Mjólkurfélagi Reykjavíkur, og Sambandinu  
hefir orðið samkomulag um að hafa eftirfarandi söluverð á tilbúnum  
áburði, sem við biðjum yður athuga:

Pýzkur kalksaltpétur	kr. 27,00	á hafnarbakka,	kr. 28,00	úr pakkh.
Superfosfat	10.25	"	11.00	"
Kali	20.25	"	21.25	"
Nitrophoska	36.75	"	37.75	"

allt pr. 100 kg. Verðið breyttist þess vegna þannig, frá því sem nefnt  
er í brefi okkar 24/2., nema á Noregssaltpetri (og brennisteinsurri  
stökju, sem ekki hefir verið minnst a). Við höfum hugsað okkur sama  
verð úti um land cif. sem ofangreint verð á hafnarbakkanum, en ef þer  
sjáið að hinir gera fradrátt í cifverðinu fyrir uppakipunarkostnaði  
hér, eða það virðist nauðsynlegt til þess að na pöntunum, getið þer  
líka gert það. Við höfum reiknað með 0.92 pr. 100 kg. í uppakipun og  
hafnargjald, og getið þer þá dregið það fra.

Grasfræ. Við höfum nú fengið tilboð á því, og samkvæmt því höfum við  
hugsað okkur að selja það á 4/65 pr. kg. í 5 kg. pokum, her á staðnum.  
Þetta er serstök og serstaklega góð tegund, blönduð eftir fyrirsögn  
Sig. Sig. bunnabarmalastjóra, og hefir reynst mjög vel, enda mæli  
bunnabarmalastjóri með henni og vísar mörgum til okkar. Annars fæst grasfræ  
á öllu mögulegu verði, en á ekki saman nema nafnið, og borgar sig vitan-  
lega best að fá góða blöndun þott dyrari sé að kaupa. Þessi blanda okkar  
inniheldur 30% hallibragas, 25% vallarfoxgras, 10% skriðliangresi, 15%  
sauðvingul, 10% sveifgras, 6% axhnoðapuntur, 4% rygresi - yfirleitt  
tegundir sem vænlegar eru til þess að gefa grasvöxt til framboðar.

Hveiti. Samkvæmt skeyti í gær er Glenora komið upp í \$8.75 í innkaupi,  
sem verður kr. 19.70 pr. poka cif., kostnaðarverð. Cream of Manitoba  
er ekki hækkad enn, en það verður an efa bráðlega. *er hækkad í 40% fob.*  
*= 25.61 pr. poka cif.*

Hænsnafoður, blandað kostar í innkaupi í Leith sem stendur 11/9 pr. 1 cwt.  
poka, en það verður sama, sem kr. 15,55 pr. poka cif. Í Kaupmannahöfn  
er innkaup á bl. hænsnafoðri "Kluk" d. kr. 10.57 pr. 50 kg. poka fob.,  
sem verður sama sem isl. kr. 15,15 pr. poka cif. Það danska er þannig  
ábeins ódyrara, en maisinn sem í því er, er heill, en maisinn í enska  
hænsnafoðrinu er brotinn.

Kaffi. Síðasta verð sem við höfum er frá 24/2. og er þannig:

Ríó kaffi	303. 74/- fob.	= kr. 1.74 kg. cif. án tolls.
do.	202. 72/-	" " " " " "
do.	101. 70/6	" " " " " "

Annars segja menn hér í Reykjavík að kaffi sé stórhækkandi nú, en við  
höfum ekki fengið enn tilkynningu fra Hamborg um frekari hækkun.

PLEASE SAY YOU

**Kartöflur.** Danstar kartöflur kosta í innkaupi um 6/25 d. kr. fob., og við seljum þær, af birgðum hér í Rvík sem stendur á kr. 11,50. Ánars getum við útvegað hollenzkar kartöflur með skipum Eimskips á ymsu verði, sem samsvarar t. d. kr. 7,00. 7.25, 9.25, 9.75 o.sfrv. cif., kostnaðarverð, en um gæðin vitum við ekki enn. Við erum að pantan nokkrar smasendingar hingað til reynslu.

**Mais og maismjöl** er enn hækandi. Síðasta verð sem við höfum er frá Leith 2. p. m., og er það þannig:

Mais heill 10/7.1/2 fas. Leith, sem verður um kr. 14,26 cif.  
maismjöl 11/3 " " " " " " 14,97 "

hvorttveggja pr. 1 cwts. poka, kostnaðarverð.

**Rúgmjöl** frá Havnemöllen hækkaði 2. p. m. upp í d. kr. 21,50 pr. 100 kg. fob. án poka, sem verður sama sem ísl. kr. 31,60 pr. 100 kg. cif. með poka, í heilpokum, og á því verði getið þer selt, ef samkeppnin utheimtir það, en ef hægt er þuffum við vitanlega helst að hafa eitthvað svolitíð meira, og það getum við oftast nær. - Við höfum keypt frá Blegdamöllen gegnum Johnson "Kaaber 100" poka af Lunda rúgmjöli, til sendingar hingað með "Bruarfossi" 13/3. frá Kbh. á d. kr. 21,00 pr. 100 kg. fob. auk poka d. kr. 0,80, en þetta verður sem svarar ísl. kr. 30,43 pr. poka cif. (eða kr. 31,28 í pakkhusi hér).

**Sykurverðið** er óbreytt í Leith frá því sem við tilkynntum yður 24/2., en í Hollandi er það 2.1/4 pence herra pr. cwts, en það munar sem næst 1/2 eyri pr. kg.

**Haframjöl.** Innkaupsverðið í Leith er 17/3 pr. cwt., en það verður cif. kr. 22,50 pr. poka eða um kr. 44,39 pr. 100 kg., og er það talsvert dyrara en að kaupja frá Hamborg (sjá bréf okkar 1/3.). Sama mali gegnir um hrisgrjon, sem kosta í Leith í innkaupi 16/3 pr. cwt. poka.

**Þakjárn.** Bostrom hefir leitað tilboða á því frá mörgum enskum verksmiðjum, og arangurinn varð sá, að hann hefir fengið að mun ódyrara verð en við skrifuðum yður síðast, eða sem hér segir:

Barujárn 24.	£13.12. 6.	tonnið fas. Leith =	352.81	pr. 1000 kg. cif.
do. 26.5-8'	£15. 7. 6.	" " " "	= 391.88	" " " "
do. 26. 9'	£16. 2. 6.	" " " "	= 408.68	" " " "
do. 26. 10'	£16.12. 6.	" " " "	= 419.03	" " " "
slétt járn 24.	£12. 4. 6.	" " " "	= 321.02	" " " (321.0)
do. 26.	£15.17. 6.	" " " "	= 403.14	" " " 81f

allt kostnaðarverð okkar. Gerið svo vel að athuga, að í þessum bréfum er att við innkaups- og kostnaðarverð okkar, ef ekki er tekið annað frammi.

**Egg.** Við höfum 23/2. skeyti um verð á eggjum í Bergen á n.kr. 2,50 pr. "Snes", og getum við þess ef þer kynnuð að geta selt egg þaðan. Veri sennilega hæfilegt að taka n. kr. 3,00 fob. Bergen, en vitanlega er verðið án skuldbindingar.

**Fíður** má flytja inn frá Danmörku með yfirlýsingu og vottorði danskra yfirvalda um sotthreinsun fíðursins, og höfum við tilkynnt Köbenhavns Fjerrensari þetta. Það er þess vegna óhætt að selja frá þeim fíður.

Japan .. 3/4	

Telegrams in plain language, known as deferred telegrams, can be sent at half rates to almost all the British Extra-European Dominions, and to a number of foreign countries outside Europe. Daily letter telegrams, for delivery after 48 hours, at rates lower than those applicable to deferred telegrams, can be sent to many British Dominions and certain foreign countries, and a Week-end Letter telegram service, at still lower rates (for delivery normally not later than Monday), is available *via* Imperial to Australasia. A Week-end Letter telegram service at quarter rates is available to Australia *via* Empiradio. To Canada there are services of Night Letter telegrams (for delivery the following day), and Week-end Letter telegrams (for delivery normally on the following Monday) *via* Imperial and *via* Empiradio, while there is a Post Letter telegram service, available to Canada, Newfoundland, and St. Pierre and Miquelon only, *via* Empiradio at the rate of 2/6 for 20 words or less and 1/4d. for each word beyond 20.

The rates of Estate Duty which were originally imposed by the Finance Act, 1894, were altered in 1907, 1909, 1914, 1919 and 1925 by the Finance Acts of those years.

All property passing by death has to be aggregated for the purpose of ascertaining the rate of duty, but this rule is subject to certain qualifications. The principal qualifying provisions are as follows:—

(1) Where property passes in which the deceased never had an interest, and (2) Where the net value of the property passing on the death (exclusive of property settled otherwise than by the will of the deceased) does not exceed £1,000.

In the above cases the property so passing is not aggregated with any other property, but forms an "estate by itself."

In the case of deaths before May 12th, 1914, where property liable to Estate Duty is settled by the will of the deceased, or having been settled by some other disposition, passes under that disposition, on the death of the deceased, to some person not competent to dispose thereof, a further duty—called Settlement Estate Duty—is payable at the rate of £2 per cent. on the settled property, but from that payment the *ad val.* Stamp Duty (if any) charged on the settlement may be deducted.

If, however, Estate Duty becomes payable a second time under the same settlement, the Settlement Estate Duty already paid is allowed for.

SMALL ESTATES.—(i.) If the net value of the property, real and personal, passing

INLAND REVENUE DUTIES—contd.

on the deceased's death (exclusive of property settled otherwise than by the will of the deceased) does not exceed £1,000, such property is exempt from Legacy or Succession Duty under the will or intestacy of the deceased. (ii.) And where the gross value of the unsettled property passing on the deceased's death does not exceed £300 or £500 respectively, and a grant of probate or administration is taken out in a certain special manner, a fixed Duty of 30/- or 50/- is payable, and such estate is exempt from all other Death Duties as passing on the deceased's death.

With respect to Personal Estate, interest at 4 per cent. per annum, without deduction for Income Tax, is also payable on the Estate Duty from the date of the death up to the date of the delivery of the affidavit.

The Estate Duty on real property may be paid, if desired, by eight yearly or sixteen half-yearly instalments, the first at the expiration of 12 months from the death, with interest at 4 per cent. per annum from the last-mentioned date of the duty for the time being unpaid.

In the case of deaths on or after the 30th June, 1925, the Estate Duty payable in respect of agricultural property is charged on the agricultural value of the property at the appropriate rate payable under the scale of rates in the Finance Act, 1919, and on the amount by which the principal value of the agricultural property exceeds the agricultural value thereof (called "the excess principal value") at the appropriate rate payable under the scale in the Finance Act, 1925.

LEGACY AND SUCCESSION DUTIES—Also SEE "ESTATE DUTY."

Rates of Duty.—The Husband or Wife, the Children or their Descendants, or the Father or Mother or other Lineal Ancestor of the Testator, &c., 5% per cent.; Brothers and Sisters or their Descendants, 25 per cent.; Persons in any other degree of collateral Consanguinity, or Strangers in Blood, 10 per cent. A Legatee or Beneficiary whose Husband or Wife is of nearer Relationship, chargeable with Duty at the rate at which such Husband or Wife would be chargeable. Relations of the Husband or Wife of the Testator, &c., are chargeable with Duty at 10 per cent. unless themselves related in blood to the Testator, &c. Appraisements or Valuations of any Property made for the purpose of ascertaining the Legacy Duty payable in respect thereof are exempt from Stamp Duty.

If, however, Estate Duty is not payable, the rate of Succession Duty are 14, 64 and 114% respectively.

The rates of Legacy and Succession Duty were last altered by the Finance (1909-1910) Act, 1910. The Husband, Wife and Lineal Ancestors and Descendants of the Testator, &c., are still exempt in Estates not exceeding £15,000 in value.

In Estates exceeding that figure the Wife or minor Child of the Testator, &c., is exempt if the individual benefit does not exceed £2,000, and other Children if the benefit does not exceed £1,000 derived from the same Testator, &c.

MEMORANDA

WRIGHT'S  
COAL TAR  
SOAP

MADE IN GREAT BRITAIN

# A Sure Shield

Wright's Coal Tar Soap is something more than a good Soap. It is a protective agent against such infections as can be carried on the skin. It is the perfect combination of an antiseptic with a soothing cleansing Soap.

# THE BURBERRY

The World's Best Weatherproof and  
One of the World's Best Overcoats

The Burberry is the coat for every occasion and every kind of weather. Made in special Burberry-proofed materials, it defies downpour or drizzle and conserves healthful warmth by excluding cold winds, yet is the coolest, as well as the most comfortable, Overcoat for warm days, because it is airy and naturally ventilating.
