The rates of Estate Duty which were originally imposed by the Finance Act, 1894, were altered in 1907, 1909, 1914, 1919 and 1925 by the Finance Acts of those years.

All property passing by death has to be aggregated for the purpose of ascertaining the rate of duty, but this rule is subject to certain qualifications. The principal qualifying provisions are as follows:—

(1) Where property passes in which the deceased never had an interest, and (2) Where the net value of the property passing on the death (exclusive of property settled otherwise than by the will of the deceased) does not exceed £1,000:

In the above cases the property so passing is not aggregated with any other property, but forms an "estate by itself."

In the case of deaths before May 12th, 1914, where property liable to Estate Duty is settled by the will of the deceased, or having been settled by some other disposition, passes under that disposition, on the death of the deceased, to some person not competent to dispose thereof, a further duty—called Settlement Estate Duty—is payable at the rate of £2 per cent. on the settled property, but from that payment the *ad. val.* Stamp Duty (if any) charged on the settlement may be deducted.

If, however, Estate Duty becomes payable a second time under the same settlement, the Settlement Estate Duty already paid is allowed for.

SMALL ESTATES.—(i.) If the net value of the property, real and personal, passing

on the deceased's death (exclusive of property settled otherwise than by the will of the deceased) does not exceed £1,000, such property is exempt from Legacy or Succession Duty under the will or intestacy of the deceased. (ii.) And where the gross value of the unsettled property passing on the deceased's death does not exceed £300 or £500 respectively, and a grant of probate or administration is taken out in a certain special manner, a fixed Duty of 30/- or 50/- is payable, and such estate is exempt from all other Death Duties, as passing on the deceased's death.

With respect to Personal Estate, interest at 4 per cent. per annum, without deduction for Income Tax, is also payable on the Estate Duty from the date of the death up to the date of the delivery of the affidavit.

The Estate Duty on real property may be paid, if desired, by eight yearly or sixteen half-yearly instalments, the first at the expiration of 12 months from the death, with interest at 4 per cent. per annum without deduction for Income Tax from the last-mentioned date on the duty for the time being unpaid. On a sale the duty for the time being unpaid becomes payable at once.

In the case of deaths on or after the 30th June, 1925, the Estate Duty payable in respect of agricultural property is charged on the agricultural value of the property at the appropriate rate payable under the scale of rates in the Finance Act, 1919, and on the amount by which the principal value of the agricultural property exceeds the agricultural value thereof (called "the excess principal value") at the appropriate rate payable under the scale in the Finance Act, 1925.

LEGACY AND SUCCESSION DUTIES—Also see "ESTATE DUTY."

RATES OF DUTY.—The Husband or Wife, the Children or their Descendants, or the Father or Mother or other Lineal Ancestor of the Testator, &c., £1 per cent.; Brothers and Sisters or their Descendants, £5 per cent.; Persons in any other degree of collateral Consanguinity or Strangers in Blood, £10 per cent. A Legatee or Beneficiary, whose Husband or Wife is of nearer Relationship, is chargeable with Duty at the rate at which such Husband or Wife would be chargeable. Relations of the Husband or Wife of the Testator, &c., are chargeable with Duty at £10 per cent. unless themselves related in blood to the Testator, &c. Appraisements or Valuations of any Property made for the purpose of ascertaining the Legacy Duty payable in respect thereof are exempt from Stamp duty.

If, however, Estate Duty is not payable, the rates of Succession Duty are 1 1/4 and 1 1/2, respectively. The rates of Legacy and Succession Duty were last altered by the Finance (1909-1910) Act, 1910.

The Husband, Wife and Lineal Ancestors and Descendants of the Testator, &c., are still exempt in Estates not exceeding £15,000 in value. In Estates exceeding that figure the Wife or minor Child of the Testator, &c., is exempt if the individual benefit does not exceed £2,000, and other Children if the benefit does not exceed £1,000 derived from the same Testator, &c.

Enginn vafi er á því, að óskinn um að eignast aftur Oxarárþing á ennþá djúpar rætur í hugum landsmanna. Ljósastur vottur þess eru fjölmargar áskoranir, sem Alþingi hafa borist síðustu daga, víðsvegar af landinu, um ráðstafanir til þjóðaratkvæðagreiðslu um þingflutninginn. Samskonar áskoranir koma einnig fram í nokkrum þingmálafundargerðum.

Engin ljettúð eða eigingjarnar hvatir hafa lagt þessa ósk á tungu þjóðarinnar. Þvert á móti. Óskinn er ótvíradasti vottur umhyggju þjóðarinnar fyrir þeirri stofnun, sem var og er og verður ætíð fjöregg hennar, — fyrir Alþingi sjálfu og velfarnan þess.

Vjer, sem tillöguna flytjum, álitum sjálfsagt að virða þessa ósk og gefa þjóðinni færi á að skera úr málinu með atkvæðagreiðslu. Þess vegna er tillagan fram komin.

Vér leyfum oss hér með að senda yður bækling um tilbúinn áburð og ræktun, eftir herra Sigurð Sigurðsson búnaðarmálastjóra.

Oss er sagt að á Íslandi séu miklir möguleikar til aukinnar ræktunar. Í sambandi við það viljum vér benda yður á, að það sem mest og best hefir stutt að aukinni ræktun í Danmörku er notkun tilbúins áburðar — hún fer þar sívaxandi. Nú eru notaðar þar 5 miljónir sekkja árlega, sem kosta um 59 miljónir króna. Firma vort hefir í Danmörku 5 stórar verksmiðjur, sem eingöngu búa til superfosfat.

Vér ráðum yður til að reyna tilbúinn áburð eftir þeim bendingum sem gefnar eru í bæklingi herra Sigurðar Sigurðssonar. Tilbúna áburðinn getið þér fengið ef þér snúið yður til aðalumboðsmanna vorra í Reykjavík, herra NATHAN & OLSEN, eða útibúa þeirra á Ísafirði, Akureyri og Seyðisfirði.

Það er ekki fyr en nú allra-síðustu árin, að nokkuð, sem teljandi er, hefir verið

Wear  
**THE BURBERRY**  
and be independent of weather

The Burberry fills every need on every occasion that calls for the use of either Weatherproof or Overcoat.

It keeps its owner dry in downpour or drizzle—warm when it's windy—comfortable under every conceivable change of weather or temperature.

Unlike rubber-proofed coats, The Burberry ventilates naturally; is never unpleasantly hot on close days and never cold or clammy on chilly, but delightfully comfortable under all conditions.
