geti hafið að hluta og minna leyti, ef viðkomandi veður geta haldið áfram áframfarirum sínum. Á þessum háttum geta að sjálfsögðu verið og þáttur valinn.

Með þrem brjefum hestvirta fjármálaráðherra dags. 13. þ.m. vorum við undirritaðir skipaðir til "að athuga og meta fjárhagsástand Íslandsbanka í Reykjavík".

Bar nefndinni að hraða matinu svo, að það geti orðið lokið eigi síðar en 24. þ.m. Aðstoð mátti nefndin fá eftir þörfum.

Þegar eftir mottöku brjefanna fórum við á fund bankastjórnar Íslandsbanka og hittum hana að máli. Hjeldum við fyrsta fundinn með bankastjórninni, bankaefirtirlitsmanni og aðalbókara bankans. Starfaði nefndin þann dag til kl. 11. og síðan var starfstími nefndarinnar frá kl. 10 að morgni til kl. 11 að kvöldi og lengur jafnt sunnudaga sem virka daga, nema hvað við höfum kl. 4 e.h. fyrri sunnudaginn er nefndin starfaði. Síðustu dagana höfum við þó starfað frem á morgun til að reyna að ljúka þessu óhemju starfi á tilsettum tíma. Þökkum við hestvirtum fjármálaráðherra fyrir leyfi hans til að við matum draga að skila skýrslu þessari þangað til í dag.

Rjodum við Lysteina Jónsson gjaldkera sem fastan aðstoðarmann okkar er nokkrir starfsdagar voru líonir. Vann hann þagnarheit og starfaði síðan í bankanum jafnlengi og við. Auk hans aðstoðaði starfsfólk bankans og bankastjórn okkur með hinni mestu lipurð og hjálpfýsi. Bankaefirtirlitsmaður Jakob Möller kom einnig á fundi okkar, lánaði okkur skýrslu sína frá 1926 og aðstoðaði okkur eftir getu.

Þinn aðalþáttur nefndarstarfsins var að sjálfsögðu að meta greiðslugetu skuldunauta bankans. Ákváðum við að taka í byrjun aðeins þá er skulduðu bankanum 10 þús. kr. eða meira, eða ábyrgðir þær, er bankinn stóð í fyrir mann, ef þær og skuldir hans náðu meiru en 10 þús. kr.

Við mat á fjárhag skuldunautanna höfum við lagt til grundvallar það verð á eignum þeirra, er við teljum að mátti fá fyrir þær með frjálstri sölu. Sá tími árs er við störfuðum gjörði það að miklum mun vandasamara að meta fjárhag einstakra skuldunauta en eila, því nýjustu efnahags- og reksturreeikningar þeirra voru miðaðir við Árslok 1928. Fæst af fyrirtakum þeim, er við þurfum að athuga höfðu reikningana tilbúna svo að við gætum gengið að þeim. Hinsvegar átti bankinn nokkurt safn af eldri efnahagsreikningum þeirra og reyndi að afla okkur allra þeirra gagnna, er stjórn hans gat, um hvernig afkoman hafi verið síðastliðið ár og nú í janúar. Komu því allmargir skuldunautar bankans á fund okkar eða sendu fulltrúa sína til að skýra reksturinn síðan síðasti efnahagsreikningur var gjörður upp, og gefa okkur upplýsingar um hvernig vörubirgðir o.fl. voru metnar í efnahagsreikningnum.

Þinnig ljét bankastjórnin gjöra heildarskýrslu um veð þau, er bankinn hafði fengið hjá einstökum skuldunautum, og skuldir hans.

Höfum við reynt að finna hvernig hágur skuldunauta og bankans í heild er nú sem stendur án tillits til þess hvernig fyrir þeim kunnir að fara í framtíðinni. Getur þar að sjálfsögðu brugðið til beggja vona, en til að lenda ekki í neinum spádómum um framtíðina og það er hún þer í skauti sjer, virtist okkur nauðsynlegt að reyna að komast að hvort eignir skuldunauta og bankans væru meiri en skuldir. Ef það virtist ekki vera, prófuðum við hve mikið skuldir virtust fara fram úr eignum, hvað mikið bankinn átti tryggt með veði, og hve mikið tap hans mundi verða. Þar sem mörg af fyrirtakjum þeim, er bankinn á hjá eru starfandi, er erfitt að gjöra sjer greina fyrir hvernig fara muni fyrir þeim í framtíðinni Tvo þriðju hluta tapsupphæðarinnar að minsta kosti, álitum við algjörlega ófáanlega. Þinn þriðjungurinn er töp, sem við höfum metið á mönnum og fyrirtakjum, sem eru starfandi, en við teljum þó sem stendur eigi ekki fyrir skuldum. Álitum vjer því að töp þessi

geti horfið að meira og minna leyti, ef viðkomandi menn geta haldið áfram atvinnurekstri sínum. Á hinn bóginn gætu að sjálfsgöngu ósri og óhöpp valdið því að tapið á slíkum mönnum yrði meira. Gróði þeirra verður gróði bankans, tap þeirra tap bankans. Niðurstöðuna teljum vjer þá að skuldir ájeu meiri en eignir að upphæð kr. 5.375.375.00., en það er sú upphæð, er við teljum nú tapaða á þann hátt er að framan segir. Hvort meira tapast eða minna í framtíðinni verður komið undir því, hvort atvinnureksturinn matir göðum árum eða illum í framtíðinni, og um það veit enginn. Bjartýnum mönnum sýnist eitt, bilsýnum annað.

Fasteignir hjer í Reykjavík höfum við venjulega talið sem eign með fasteignamatverði að viðbættum minst 50%, en það er það verð er Íslandsbanki telur vöðhaft. Við mat á vörubirgðum höfum við dregið frá útsöluverði venjulega álagningu þess er átti, en auk þess gert einhverna frádrátt fyrir eldri vörum, sem að einhverju leyti gætu talist vera seljanlegar, er þær voru orðnar gamlar, svo sem veinaðarvörur. Vörur þeirra, er allt ef má telja seljanlegar, svo sem matvörur töldum við með innkaupsverði. Frá útistandandi skuldum höfum við metið afföll, eftir því hverrar tegundar þær voru. Heildsskuldur mega teljast betri en smásöluskuldur, og matvöruskuldur áttu verð en nokkrar smásöluskuldur. Höfum við gert ráð fyrir allt að 50% afföllum á ljúlegustu skuldunum. Að því er mat á skipum snertir höfum við miðað það við söluverð skipa undanfarið og upplýsingar um kauptilboð, er bankaetjörnin sagði okkur, að henni hafi þorist. Vjelbáta höfum við metið eftir því, er Geir Sigurðsson og Sveinbjörn Agilsen gæfu okkur upplýsingar um að bátarnir mundu vátryggðir fyrir. Verðbrjef höfum við metið í samræmi við nýjustu upplýsingar um hag og afkomu fjelaganna, söluverð og arð brjefanna. Þrua við að sjálfsgöngu etíð reiðubúnir til að gefa hestvirtum fjármálaráðherra naneri upplýsingar um hvern lið af þessu mati.

Við athugun skuldanna varð það ljóst að yfirleitt vera smærri skuldirnar mikið tryggari en þær stærri. Væð voru betri og menn gætu auk þess greitt þær auðveldlegar af atvinnutekjum sínum. Þar sem skuldarupphæð var litil borin saman við árestekjur skuldnauts töldum við skuldina tryggja. Er við höfðum lokið aðalmatinu gjörðum við fyrir afföllum á minni skuldum en 10.000.00. kr., hlutfallslega jafn mikið og okkur hafi fundist smærri skuldirnar rýrna um en auk þess fórum við í gegnum afsögða víklu, með málaforslu manni bankans, hestærjettarmálef lutningsmanni Íarusi Fjeldsted og netferðum okkur upplýsingar hans við mat á þessum smáskuldum, er ekki skiftu miklu fyrir bankann sem heild.

Samhlíða matinu athuguðum við að sjálfsgöngu bókfarslu bankans nokkuð og rekstur hans síðustu mánuðina fyrir lokunina.

Virtist okkur bókfarsla bankans ljú og óbrotin og þakkar vel ferðar og greinilega. Að sjálfsgöngu höfum við ekki aðstöðu til að fara í neinskonar endurskoðun á þessum stutta tíma, en sú eina athugasemd, er við gerðum við farslu bókkanna komum við að, er jafnaðarreikningurinn er rakinn hjer á eftir.

Við leggjum hjer með sem fylgiskjöl 1-2 efnahagsreikning Íslandsbanka frá 31. desember 1929, bæði reikning aðalbankans þar sem skuld útbúanna er tekin upp og einnig bankans sem heild. Þar sem eignum útbúanna er skift niður á einstaka eignaliði.

Því miður vannst ekki tími til að gjöra jandarmánuð upp á sama hátt og desember, þar sem starf nefndarinnar stóð svo stutt yfir. Hinsvegar rannsakaði nefndin einstaka eignaliði og hvernig þeir stóðu, er bankanum var lokað, þó ekki veri hægt að sannpröfa þær tölur.

Málforði bankans var í árslok kr. 1.500.112.00. Skv. málforðabók, sem endurskoðendur bankans höfðu ritad í, að þeir hafi talið gullforðann, skiftist hann svo l. þ.m.:

Gull í skáp.....	kr.	735.190.00.
" " kjallara (dollarar).....	"	339.312.50.
Inngign í Frivatbanknum.....	"	194.880.00.
kr. 876.267.50 " Landsbankaáfangadögus..	"	180.277.50.
Samtals.....		Kr. 1.500.160.00.

ION, LTD.
E.C.4.

kr. 201.77 Mismunurinn er örlitlar breytingar á gengi.

Seðlar þeir, er voru í umferð 1. febrúar voru skv. bóluum bankans kr. 3.999.000.00. Hafa því verið dregnar inn 812.000 kr. frá því í Ársbyrjun 1929, en seðlaveitan, er nam kr. 3.475.000 í nóvemberlok, lækkaði niður í kr. 3.348.000 í desemberlok, en síðan hefir hún hækkað um kr. 657.000 í janúar uns bankanum var lokað. Átti bankinn því eitt þúsund krónur ónotaðar af seðlaveitu þeirri, er honum var leyfilegt að hafa í umferð, er hann lokaði.

Vixlarnir hafa hækkað verulega á árinu 1929, úr kr. 17.579.901.44. upp í kr. 18.437.745.44. í árslok, eða um kr. 857.844.00 og lækkaði vixlareikningurinn þó um kr. 424.975.54. í desembermánuði. Auk þessarar miklu aukningar eru vixlar á sórum líto reikningsins, því líðurinn: Yásir skuldunautar er að mestu afsagðir vixlar. Hækkaði sá líður úr kr. 1.749.222.84. í Ársbyrjun 1929 í kr. 2.203.559.52. í árslok, eða um kr. 454.336.68. Hakkunin á vixlaeign bankans nemur því kr. 1.312.180.77 á árinu 1929. í janúarmánuði lækkaði vixlaeignin þó áttur og komst niður í að því er virtist kr. 17.171.531.24. en á sama tíma hækkuðu Yásir skuldheimtumenn" upp í rúmár 3 milljónir kr. en 22. febrúar námu afsögðu vixlarnir 3.200.607.97 kr. Ír skýr- ingin á þessari síðustu lækkuð þvi eingöngu sá, að er vixlarnir eru afsagðir eru þeir færðir af vixlareikningi á reikning þann er heitir "Yásir skuldunautar". Auk afsögðu vixlanna eru hjér nokkrir aðrir líðir, en stærstir þeirra eru reikningar er heita: "Atta procent vaxtakonto N.N.". Höfum við sett N.N. í stað nafna þeirra, er stöðu í bókinni, en það voru stórir viðskiftavinir bankans. Spurðum við bankastjórana um þessa reikninga en þeir svöruðu að á þessa reikninga væru færðir vextir þessara viðskiftavina og teldust þeir skuld er biði til betri daga. Var hún kr. 41.923.26. á sórum reikningnum en kr. 9.926.67 á hinum. Venjulega gefa viðskiftavinir bankans þó vixla fyrir vöxtum eins og sórum skuldbindingum.

Fasteignir bankans hafa lækkað úr kr. 1.282.534.39. í árslok 1928 niður í kr. 606.251.87. í árslok 1929. Stafar þessi lakkun upp á kr. 676.282.52 af því að bankinn hefir selt mikið af fasteignum á árinu, bæði hinar miklu húseignir við Þósthússtræti, Bíldudalsveginna og fleiri fasteignir, er bankinn hafði tekið af skuldunautum sínum. Höfðu þar áður verið bókfærðar með því verði, er bankinn tók við þeim fyrir, en er þær voru seldar var mismunurinn færður á ágóða og taps reikning.

Þar sem hestvirtur fjármálaráðgjafi mun fá skýrslu frá endurskoðendum útbúanna, er naumast ástæða til að tala um þau nema að því leyti sem snýr að aðalbankanum. Hefir skuld þeirra við hann hækkað á árinu um nær 750 þús. kr.: Á Akureyri hefir hún hækkað úr kr. 1.003.609.00. upp í kr. 1.447.607.57. en í janúar hefir hún enn hækkað upp í kr. 1.677.134.00. eða um 67%. Mun þetta standa að einhverju leyti í sambandi við að innsteður á hlauptreikningi hafa minkað til muna í útbúinu. Skuld útbúsins á Seyðisfirði hefir lækkað um Kr. 935.90 og hafði hún þó hækkað um kr. 140.126.91 frá Ársbyrjun fram í nóvemberlok. Stafar þessi lakkun af því, að bankinn hefir ekki viljað telja vexti af skuld útbúsins viðbankenn og afskrifað þá, skv. umögn bankastjórnanna. Skuld útbúsins á Ísa- firði hefir lækkað nokkuð, en skuld útbúsins í Vestmannaeyjum hefir hækkað úr kr. 432.143.34. í Ársbyrjun 1929 upp í 824.202.84. í lok ársins, eða um 90 %.

Í sjóði voru talin í byrjun ársins 1929 kr. 384.732.82 og virðist það vera sú venjulega upphæð, sem er í sjóði. Í nóvem- berlok var sjóðurinn kr. 450.605.69 en í desemberlok komst hann upp í kr. 529.987.11. Lækkaði sjóðurinn hægt framan af mánuðinum. Um miðjan janúar var hann kominn niður í kr. 405.739.00. Þá fór að koma allstórar sveiflur. 23. janúar lækkaði hann um Helming niður í 153 þús. Þá hækkaði hann um 87 þús. en tvo dagana þar á eftir voru rúm 155 þús. tekin út svo sjóðurinn virtist þá hafa komist niður í kr. 85.686.00, er bankinn lokaði um kvöldið. Notaði bankinn þá seðla- útgáfufjötfinn til þess ýtrasta og setti alla þá seðla er hann átti eftir útgafna í sjóði að undanteknum kr. 1000.00. og hafði seðla- útgáfan þá verið aukin um kr. 651.000.00 í janúarmánuði svo sem áður getur. Innig þessir seðlar fóru út. Á morgni þess 31. janúar voru kr. 276.267.00 í sjóði. Á morgni þess 1. febr. var sjóðurinn

kr. 201.732.00, um eftirmiðdaginn voru eftir kr. 121.263.00 í sjóði.

Er bankinn lokaði eftirmiðdaginn 1. febrúar virðist sem útborganir hans hafi numið kr. 529.987.11. & 651.000.00 + 121.263 meira en innborganir eða kr. 1.059.719.11 hafi farið út þann mánuð, er bankinn var opinn eftir áramótin.

Á skuldahlíðinni á efnahagsreikningi bankans hefir áður verið minnst á einstaka liði.

Skuld Íslandsbanka við erlenda banka hefir aukist á árinu ár kr. 4.481.385.06 í ársbyrjun í kr. 5.698.673.61 í árslok. Nam skulduupphæðin kr. 5.569.610.09 í lok janúar síðastliðins, og verið undanfarið nokkuð óhöggúð kringum 5 1/2 miljón undanfarið mánuði, og er nú hjá 54 bönkum og bankaíbúum. Þrátt fyrir það að upphæðin hefir verið sú sama hafa verið allmiklar hreyfingar milli einstakra banka í heildarupphæðinni. Hefir t.d. þýski ríkisbankinn lagt inn kr. 375.000 í miðjum desembermánuði og kr. 190.000. í viðbót 11. og 21. janúar, til vantarlegrar byggingar útvarpsstöðvarinnar nýju. Hækkaði inneign hans frá 1. des. til 1. febrúar ár kr. 40.771.10 í kr. 536.669.14 eða um tæplega hálfa miljón. 28. desember var einnig greitt um 750.000 kr. inn í Íslandsbanka vegna lántöku Reykjavíkurbajar án þess að verulega séi breytingar á líönum því bankinn notaði þetta fjá á sjálfsegðu til að minka skuldir þar, sem dýrastar voru og borgaði því t.d. kr. 192.759.29. af skuld sinni við Privatbanken.

Þessum skuldum bankans hefir verið skift í tvent svo sem fylgiskjál það, er við leggjum hér með þer með sjer. Á Íslenskum reikningum er talið fje sem erlendir bankar eiga inni við kjör, er líkjast hlaupareiknings kjörum. Hefir hinn erlendi banki full umráð til að nota þetta fje er hann vill, en vextirnir eru 2-4 %, en Privatbanken hefir 4 1/2 % fyrir fje sitt.

Skuldir þar, er bankinn bókfærir á erlendum reikningum eru að mestu við 3 banka. Privatbanken í Danmörku hefir teitt lán með vöxtum er nema 1 % meira en forvextir Þjóðbankans danska, en auk þess greiðir Íslandsbanki viðskiftagjald sem reiknað er með 1/2 % af upphæð þeirri, er hann skuldar í byrjun hvers misseris. Vixlar eru settir að tryggingu fyrir láni Privatbankens, og geymdir í Stjórnarráðinu.

Viðskiftin við Messrs. H.S. Lefevre & Co., 16 Bishopsgate London, virðast hafa byrjað í árslok 1928. Samþykkir Íslandsbanki þriggja mánaða vixla er Messrs Fairfax & Co. gefa út. Fjöll vixill að upphæð £ 9.985:10:0 hinn 15. þ.m. og mun það lán ekki vera meira nú, en það hefir verið allt að £ 20.000:0:0. Fyrir þessu láni eru vixlar settir sem trygging. eru þeir geymdir í hólfu í kjallara bankans, en M. Manscher endurskoðandi, er teljast þun umbjósmáður Lefevre & Co. geymir lykilið að. Kvæð bankastjórnin að með þessu væri gjörð tilraun að rediskontera isl. vixla. Þó munu viðskifti þessi enn ekki komin lengra áleiðis en svo, að isl. vixlar eru lagðir sem trygging. Þengum við ekki ljósa hugmynd um vextakjörin en þau munu svipuð og í Hambros Bank, nema að viðskiftagjaldið nemur 1/2 %:

Hambros Bank tekur 1 % hærri vexti af láni sínu en forvextir Englansbanka nema á hverjum tíma. Auk þess greiðir Íslandsbanki viðskiftagjald er nemur 1/4 % af láni því, er nemur minna en £ 30.000:0:0 en 1/2 % af því er fram yfir er. Viðskiftagjaldið mun reiknað ársfjórungslega svo að lán bankans er jafn hátt og það er nú, mun viðskiftagjaldið nema 2 % á ári. Bankinn mun ekki hafa sjerstakt veð fyrir þessari skuld Íslandsbanka.

Rediskonteraðir vixlar í Landsbankanum voru í ársbyrjun kr. 3.391.257.08 en í árslok hafði þessi skuld hækkað um 1.566.800.00 upp í kr. 4.958.057.08. Skv. upplýsingum frá Landsbankanum dags. 20. febrúar nam upphæð endurkeyptra vixla þann dag aðeins kr. 1.177.286.50. Mun bankinn því einnig telja vixla þá, er Landsbankinn telur að veði fyrir sedlakonto Íslandsbanka að upphæð kr. 2.527.664.99 og vixla þá, er telst trygging fyrir dollarláni Íslandsbanka kr. 625.200.00.

Helgi E. Brice, Stofa Jón Stefánsson, Jónsdóttir, N. E. C. 4

PLEASE SAY YOU SAW THE ADVERTISEMENT IN "LETTERS".

Adalupphæðin í lið þeim er heitir: Ýmsir skuldheimtamennt, er varasjóður bankans er nam í árslok kr. 853.088,18. Hefir afgengurinn af ágóða bankans árin 1927 og 1928 verið færður á þennan lið. Má telja að bankinn hafi fleiri leynda varasjóði, en þennan, því eins og margir erlendir banker hefir Íslandsbanki ekki talið banka-bygginguna í fullu verði þar sem hún er bókfærð á aðeins kr. 126.431,61, en fasteignamat hússins er kr. 185.600. Þó vegur það nokkuð á móti að mörk af húsum bankans eru bókfærð mjög hátt. Er t. d. Vesturgata 19. bókfærð á kr. 105.192,06 þó fasteignamat sje kr. 39.000.

Minnig má telja að bankinn hafi nokkurn leyndan varasjóð þar sem seðlar hans kunna að vera glataðir og verða því aldrei heimtaðir greiddir. Nýtur bankinn einn ágóðans af eldri seðlum er kunna að vera glataðir, en helming ágóðans af nýrri seðlum.

Innstæðufje á hlaupareikningi var í árslok kr. 5.372.564,88 og hefir það minkað um nálega 270 þús. á árinu. Þó hefir það heldur aukist í desember en aftur hefir það minkað um ca. 100 þús. kr. í janúar. Virðist innstæðan nú nema kr. 5.267.152,33.

Af upphæð þeirri, er stóð inni á hlaupareikningi í árslok áttu ýmsir viðskiftavinir bankans inni kr. 1.472.564,88 en ríkissjóðurinn danski kr. 3.900.000,00.

Svo sem hæstvirtur fjármálaráðherra veit stundur svo á þessu láni að Íslandsbanki átti að yfirfara póstvéisanaþjefe til Danmerkur. Samkv. upplýsingum bankastjórnarinnar var fje þetta lagt inn áður en opinber gengismunur var orðinn á milli Íslensku og dönsku krónunnar. Var síðan gjörður samningur að, er fylgir hjer með í fylgiskjali 3, þar sem ákveðið er að fje þetta skuli skoðast lán í dönskum krónum, en vextirnir vera því lagri sem gengi Íslenskar krónu er lagra. Vextirnir eru nú 3%. Fylgja hjer með skýringar Brynjólfa Stefánssonar á þessu atriði sem fylgiskjal 4.

Má er gengismunurinn á afborgun og vöxtum færður á kostnaðarreikning bankans, sem annar rekstrarskostnaður, en ef greiða átti upp lán þetta nú mundi gengismunurinn nema kr. 849.030.- Verðna við að gjöra svipaða athugasemd við útreikning á gengi enska lánsins, þar sem enskt pund er talið vera 22 kr. virði í stað 22 kr. 15 auru. Munar þar um kr. 37.963,54.

Ágóði ársins 1929 er lagri en nokkurn tíma áður, enda þótt reikningsjöfnuður bankans sje nú um 1 milljón kr. harri en í fyrra. Þru orsakirnar til þess tvaer. Skv. upplýsingum bankastjórnarinnar hefir Seyðisfjardarútibúinu ekki verið reiknaðir vextir af skuldum síðastliðið ár. En það, sem mest nepar er að sjálfstöðu það, að vextir á lánum bankans hafa verið sjerlega dýrir í ár vegna forvartanækkunar þeirrar, er gekk yfir allan heima árið 1929. Vextirnir af rekstrarsfje bankans eru að mjög miklu leyti miðaðir við forvexti erlendis en ofan á þá leggjast viðskiftagjöld af lánum, er nema 1-2 %. Hin erlendu lán hljóta því altaf að nema 2-3% harri vöxtum en vextir eru ytra og þá eru vextir þessir orðnir svo háir að bankinn fær sama sem ekkert fyrir milligöngu sína.

Samkvæmt reikningsjöfnuði í nóvemberlok námu viðskiftagjöld þau er bankinn hafði fengið þá kr. 112.178,89, en græddir vextir kr. 8.489,79. Forvextir voru 1.056.810,68. Þessi ágóði, er nam í nóvemberlok kr. 1.177.479,36 hefir lækkað niður í áður nefnda upphæð þar sem kostnaðurinn af rekstri bankans er færður sem forsla móti þessum lið og auk þess var eftir að telja frá hagnaðinum í nóvemberlok vexti af innlánsfje og hlaupareikningi frá því júlí byrjun.

Svo sem fyrir okkur var lagt höfum við framkvæmt mat þetta og athugun eftir "bestu þekkingu og samvinkusemi". Þar sem okkur gafst lítilli tími og einnig er erfitt að meta eignir eftir vepðbyltingar og fjárhagsbreytingar undanfarinna ára, hefir þetta verk verið afar ódrógt, en gagnvart okkur sjálfum vitum við að það er gjört eftir bestu vitundregjvilla. 26. febrúar 1930.

Til Helgi P. Briem, Stefán Jóh. Stefánsson, Sveinbjörn Jónsson
Fjármálaráðherra.

If the wages be guineas instead of pounds, to each guinea add 1d. to the month, or 1d. to the week.

POSTAL RATES, REGULATIONS, &c.
(1) *Inland Postal Ready Reckoner.*

Letters	Printed Papers	Parcels.
Not exc. d. 2 oz. 1/2 and for every additional 2 oz. or fraction of 2 oz., 1d.	Not exc. d. 2 oz. 1/2 and for every additional 2 oz. or fraction of 2 oz., 1d.	Not exc. s. d. 2 lb. 0 6 5 0 9 8 1 0 11 1 3

Printed packets prepaid one halfpenny only and intended for despatch on the day of posting must be posted not later than 4.30 p.m. in London, or in the Provinces, not later than such time as may be announced in the Post Office window notices. The minimum rate of postage for all packets sent at the Printed Paper Rate, and intended for despatch by the night mail, is one penny, if posted after the specified time.

No *Inland* letter packet may exceed 2 ft. by 1 ft. by 1 in. In roll form 30 in. in length by 4 in. in diameter.

(2) **IMPERIAL AND FOREIGN LETTERS.**
To the British Empire generally (excluding Iraq and Transjordan), to H.M. Ships of War abroad, Egypt, United States of America, and the British Post Office at Tangier, 1d. for the first oz. and 1d. each oz. after. To all other places, including Iraq and Transjordan, 2 1/2d. for the first oz. and 1 1/2d. for each additional oz. As regards H.M. Troops serving abroad, see the Post Office Guide.

POSTCARDS.—Single, 1 1/2d.; replypaid, 3d. No letter packet for the Empire or Egypt may exceed 2 ft. in length by 18 in. in width or depth. For Foreign countries the limit of size is 18 in. in any direction. Letters in the form of a roll may not in either case exceed 30 in. in length by 4 in. in diam. Maximum weight 4 lb. in all cases.

AIR MAIL SERVICES.—These offer useful savings in time of transit of letters and parcels to France (parcels for Paris only), Holland, Belgium, Germany, Czechoslovakia, Denmark, Norway and Sweden, and Switzerland, also for the interior of Colombia (S. America) and Peru; and of letters to several other countries of Europe; to parts of W. and N.W. Africa, to Egypt, Iraq, Palestine, Persia, and India, to most of the United States of America and to the Prairie Provinces of Canada; also for the Argentine Republic, Bolivia, Brazil, Chile, Paraguay, Peru, and Uruguay.

For particulars of services (some of which are seasonal) reference should be made to a special Air Mail leaflet which is obtainable free of charge at any Head or Branch Post Office, or from the Secretary (Air Mails), G.P.O., E.C.1.

INLAND PRINTED PAPERS.—Books and other publications or works of a literary character, sketches, drawings, paintings, photographic prints, engravings, maps, plans, charts, and any other printed or written matter not in the nature of a letter, and printed or written on paper or some substance ordinarily used for printing or writing, may be transmitted at the Inland Printed Paper rate.

The following documents are transmissible provided they conform to the regulations, and consist of a form bearing printed matter (not in imitation of typewriting), clearly indicating the purpose for which it is intended to be used, and that any writing refer solely to its subject matter or consist of formulas of courtesy or of a conventional character not exceeding five words or initials; Invoices, Orders for

goods, or for work, Confirmations of orders, Advice notes of the despatch or receipt of letters, documents, goods or money, Waybills, Bills of lading, Receipts for goods or money, Statements of account, Price lists, Prices current, Market reports, Delivery and shipping notes, Quotations for goods, Tenders for goods or for advertisements, Estimates for work, Inquiries for quotations, Contract notes, Confirmations of Contracts, Applications for employment, and Share transfer notices.

Deeds, agreements, affidavits, orders of court, briefs from solicitor to counsel, proposals and policies of insurance and formal papers necessarily incident to insurance, powers of attorney, proxy papers, voting papers, testimonials, certificates, and licences, on condition that nothing appear in the document in writing which does not form a necessary part thereof. Manuscript for press and printed proofs. Circulars (that is, printed notices and letters), printed Christmas, New Year, Easter, birthday, picture, greeting and visiting cards.

(By "printing" is meant any species of type-printing easy to recognise; imitation type-written circulars are included if identical in text so far as the portion printed or reproduced in imitation of typewriting is concerned, and provided not less than 20 packets are specially handed in at a Post Office and attention called to their nature. "Writing" includes typewriting.)

No packet may exceed 2 ft. in length, 1 ft. in width or depth. In roll form 30 in. in length by 4 in. in diameter. Packets must be posted either without covers, or in unfastened covers, or in covers which can be easily removed for the purpose of examination without breaking any seal or tearing any paper or separating any adhering surfaces, or cutting any string.

IMPERIAL AND FOREIGN PACKETS.—Packets of Printed or Commercial Papers, not in the form of a roll, addressed to a British Dominion, Colony or Possession, may not exceed 2 ft. in length and 1 1/2 ft. in width or depth; for Foreign countries and Egypt the dimensions may not exceed 18 in. in any direction. Packets in the form of a roll may not, in either case, exceed 30 in. in length and 4 in. in diameter. The limit of weight for the British Empire is 5 lb., and for Foreign countries and Egypt 4 lb. Exceptionally, printed volumes for any destination sent singly may weigh as much as 6 1/2 lb. Rates of postage, Printed Papers—3d. per 2 oz.; Commercial papers, 2d. for the first 10 oz. or under, and 1/2d. per 2 oz. thereafter.

Magazine Post for Canada and Newfoundland.—The postage on duly registered British Newspapers, Magazines, and Trade Journals intended for despatch to Canada by direct steamship and to Newfoundland by direct steamship or via Canada by direct steamship is:—

Not over 2 oz. 3d.; 6 oz., 1d.; 1 1/2 lb., 1 1/2d.; 2 lb., 2d.; 2 1/2 lb., 2 1/2d.; 3 lb., 3d.; 3 1/2 lb., 3 1/2d.; 4 lb., 4d.; 4 1/2 lb., 4 1/2d.; 5 lb., 5d.

(1) **INLAND PARCELS.**—No parcel may exceed 11 lb. in weight; dimensions allowed: maximum length, 3 ft. 6 in.; maximum length and girth combined, 6 ft. Subject to certain rules, compensation is given up to £2 for loss or damage of an

POSTAL RATES, &c.—contd.

unregistered parcel. A certificate of posting should be obtained.

(2) **Imperial and Foreign Parcels** can be sent to most Countries. The rates of postage, weight and size, differ for different countries, and inquiry should in all cases be made at a Post Office, or particulars ascertained from the "Post Office Guide," sold at any Post Office at 1s.

INLAND CASH ON DELIVERY.—The value of unregistered parcels and of registered packets (including parcels) sent by post is collected on delivery. *Cash on Delivery* fees (in addition to ordinary postage and registration) are as follows:—Trade Charge not exceeding 10s., 4d.; £1, 6d.; £2, 8d.; £5, 10d.; and 2d. for each additional £5 or fraction of £5, up to the maximum of £40.

By arrangement with Railway Companies, the value of goods sent by rail to places in Great Britain may be collected by means of a C.O.D. registered letter, containing a document entitling addressee to take delivery of goods.

REGISTRATION.—*Inland*—The minimum fee for each inland letter, parcel, or other postal packet is 3d. *This must be prepaid* in addition to the ordinary postage, and the packet handed to an officer of the Post Office, and a receipt obtained. No packet intended for registration may be dropped into a letter box. Compensation for loss is granted in accordance with the registration fee paid. Fee: 3d. for £5; 4d. for £20, and at the rate of 1d. for each additional £20 up to £400. A registered packet must be made up in a reasonably strong cover appropriate to its contents, and must be fastened with wax, gum, or other adhesive matter; if containing money and compensation is desired in the event of loss, one of the registered letter envelopes sold by the Post Office must be used. These are in five sizes. The maximum amount of compensation for the loss of coin is £5. Packets containing fragile articles should be conspicuously marked "*Fragile, with care.*" Packets which contain coin or jewellery, if posted unregistered, are subjected to compulsory registration, and are charged on delivery with a fee of 6d. less any amount prepaid in excess of the postage.

INLAND TELEGRAM RATES.—The charge for any message of 12 words throughout the United Kingdom is 1/- (1/6 for telegrams addressed to the Irish Free State), and 1d. for each additional word. Telegrams handed in on Sundays, Good Friday and Christmas Day are charged 6d. extra. In Scotland the extra charge is payable on Sundays only. Figures are counted at the rate of five figures to a word.

CERTIFICATES OF POSTING.—Any person who desires proof that an unregistered letter, letter-card, post-card, printed paper, newspaper, commercial paper or sample packet, has been posted to a particular person should hand in the letter or other article at a Post Office and ask for a certificate of posting. The fee is 3d.

LETTER CARDS.—2d. each; 1/6 a packet of 10.

POST CARDS.—*Inland.*—Postage 1d. Cards sold at Post Offices:—Single (thin) 1 1/2d.; (stout) 1 1/2d.; reply 2 1/2d. Packet of 11 Cards: Single (thin) 1/-; reply, 2/-.

Packet of 10 cards: Single (stout) 1/-, For *Abroad.*—Postage (for all destinations) 1 1/2d., reply 3d. Cards sold at Post Offices: Single, 1 1/2d.; reply, 3 1/2d.

PRIVATE CARDS.—May be used with 1d. or 1 1/2d. stamp affixed to the face of the card. They must be of cardboard closely resembling the official card. They may not exceed 5 1/2 by 4 1/4 inches, or be less than 4 by 2 1/2 inches in size.

NEWSPAPERS.—*Inland.*—The *Inland* Newspaper rate, which is a rate per copy, is 1d. for the first 6 oz., together with a further charge of 3/4d. for every additional 6 oz. or fraction thereof, but a packet containing several copies may be prepaid at the *Inland* Printed Paper rate if that is cheaper. Every newspaper should be so folded that the title may easily be read, and must be posted either without a cover, or in one open at both ends so as to admit of easy removal for examination. Nothing in the nature of a letter may be written on the newspaper or its cover. No newspaper or packet of newspapers may exceed 2 lb. in weight, 2 ft. in length, or 1 ft. in width or depth. Unregistered newspapers are subject to the same rates as other wholly printed matter. *Foreign*—3/4d. per 2 oz. Limits of weight and size same as *Imperial* and *Foreign* Printed Papers Packets. See also *Magazine Post for Canada* and *Newfoundland*.

SAMPLE POST.—*Imperial and Foreign.*—This is restricted to *bona fide* trade samples without saleable value, and to scientific specimens, etc. The rate of postage is 3d. per 2 oz., but lowest charge is 1d., for which 4 oz. may be sent.

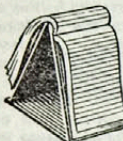

EXPRESS DELIVERY SERVICES.—There are five Express Delivery Services, namely:—Service I.—By Special Messenger all the way; Service II.—By Special Messenger after transmission by post; Service III.—By Special Delivery in advance of the ordinary mail; Service IV.—Express Delivery on Sundays; Service V.—By Special Messenger after transmission by telephone. For full particulars of these Services the Post Office Guide should be consulted. For Service I., fees to be paid in stamps, affixed to a form at the Post Office, the word "*Express*" written above the address in the left-hand corner of the cover, and Packets handed in over the counter of the office from which they are to be despatched.

POSTAL AND MONEY ORDERS.—*Postal Orders—Inland*—are issued at commissions as follows:—1d. for sums of 6d., 1/-, 1/6, 2/-, and 2/6; 1 1/2d. for 3/-, 3/6, 4/-, 4/6, 5/-, 5/6, 6/-, 6/6, 7/-, 7/6, 8/-, 8/6, 9/-, 9/6, 10/-, 10/6, 11/-, 11/6, 12/-, 12/6,

CONCISE DIRECTORY.

We have inserted this short Directory for the use of our Subscribers under the impression that it will prove of utility to country and foreign residents who may desire to communicate with a House in any particular Trade or Profession, and have no means at hand of knowing whom to address.

Account Book Binders—F. C. Hewlett & Co., 136, Upper Thames Street, E.C.4. Sole makers of patent Ready and Cee-Easy notebooks. A reporter's notebook, cover and stand combined. A saving of 25 per cent. in time when transcribing.

IT PAYS TO INSURE

COUNTY FIRE OFFICE, LTD.

Vér leyfum oss hér með að senda yður bækling um tilbúinn áburð og ræktun, eftir herra Sigurð Sigurðsson búnaðarmálastjóra.

Oss er sagt að á Íslandi séu miklir möguleikar til aukinnar ræktunar. Í sambandi við það viljum vér benda yður á, að það sem mest og best hefir stutt að aukinni ræktun í Danmörku er notkun tilbúins áburðar — hún fer þar sívaxandi. Nú eru notaðar þar 5 miljónir sekkija árlega, sem kosta um 59 miljónir króna. Firma vort hefir í Danmörku 5 stórar verksmiðjur, sem eingöngu búa til superfosfat.

Vér ráðum yður til að reyna tilbúinn áburð eftir þeim bendinum sem gefnar eru í bæklingi herra Sigurðar Sigurðssonar. Tilbúna áburðinn getið þér fengið ef þér snúið yður til aðalumboðsmanna vort í Reykjavík, herra NATHAN & OLSEN, eða útibúa þeirra á Ísafirði, Akureyri og Seyðisfirði.

Það er ekki fyrir en nú allra-síðustu árin, að nokkrað, sem teljandi er, hefir verið

The Burberry.

THE BURBERRY

The World's Best Weatherproof and One of the Best of the World's Best Overcoats

The one Weather-resisting Overcoat that assures security and comfort in every kind of weather. It keeps its wearer

DRY when it rains—**WARM** when it's cold—**COOL** on close days.

Antagonistic to water, rain falls on and off its surface like dew from a leaf. Closely-woven, it conserves healthful warmth by excluding cold winds. Light and air-free, it is worn on fine days without overheating.

The Burberry Book containing patterns, particulars and prices, post free.
